# Growing In Knowledge

by Ian Hufton

Are you growing in knowledge? Can you “grow out” of the true knowledge of Jesus Christ and His plan for mankind? Can you accelerate and enhance your knowledge growth and thus be a more profitable servant to Jesus Christ? The apostle, Peter, wrote that growing in the knowledge of Jesus is critically important to Christian development.

What was the last thing the apostle Peter said in Scripture? In 2 Peter 3:18, you will see the answer to that question.

*But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ. To Him be glory both now and for ever. Amen. (2 Pet 3:18)*

Growing in grace and the knowledge of Jesus Christ is one of the most important things we must do as our part in the salvation process. Did you notice that the verse above begins with “but”? Why? Let’s notice the previous verse.

*Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own stedfastness. (2 Pet 3:17)*

Peter is saying “beware” “watch out” lest you fall out—of “true knowledge” into error. He urges you and me to go in the other direction – that of growing in grace and knowledge.

God gives us another powerful warning:  
*Even him, whose coming is after the working of Satan with all power and signs of lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness. (2 Thess 2:9-12)*

Again it is clear in Scripture that knowing, believing and loving God’s truth is critical to growing in the divine

nature and, at the same time, avoiding deception and falling into wickedness.

## HOW WILL YOU GROW IN KNOWLEDGE?

Jesus knows that our highest priority should be seeking and growing in the knowledge and practice of God’s ways, and that is why He said “...seek ye first the kingdom of God...” (Matt 6:33) and “*Blessed are they which do hunger and thirst after righteousness...*” (Matt 5:6).

Each one of us has a certain store of Bible knowledge. If you have been active in reading God’s word for many years, you probably have gained much knowledge and are eager to share that knowledge with others you meet. If you are new to the faith, you still have certain basic points of knowledge stored away in your memory files. The question is how can you increase and accelerate your learning curve and become more productive for Christ? Before you explore this subject further, I want you to take the following quiz to help illustrate a point I will be making later. Just take a pen and answer the following questions.

## THE QUIZ

Please write down the location in the Bible that corresponds to the following descriptions. Give the book and the chapter involved.

Book and Chapter

- 1) The “love” chapter \_\_\_\_\_
- 2) The “resurrection” chapter \_\_\_\_\_
- 3) The “tongues” chapter \_\_\_\_\_
- 4) The “born again” chapter \_\_\_\_\_
- 5) The “hope” chapter \_\_\_\_\_
- 6) The “day of pentecost” chapter \_\_\_\_\_
- 7) The “Lord’s prayer” chapter \_\_\_\_\_
- 8) God’s Annual Feast Days \_\_\_\_\_
- 9) Blessings and Cursings \_\_\_\_\_

Many of you will have answered all of these questions correctly because, over the years, you have learned and

## Growing In Knowledge

made the mental connection between the description and it's location. These pieces of knowledge are great building blocks for further knowledge accumulation. Having a basic grasp of the "order" of the alphabet is the beginning of being able to find and use large numbers of words listed in the dictionary. In like manner, having a grasp of basic chapter locations and content, helps us to use Bible knowledge in a much more powerful way. Many have said "Yes, it is in the Bible, but I don't know where." When people hear this they conclude that the speaker does not know their Bible well. They may also doubt that it really is in the Bible, if the person has no idea where it is to be found. As ambassadors for Christ, and as lights in a dark world, we need to know what is and isn't in the Bible and be able to show people where certain passages may be found.

This same "mental connection" system that helped you answer the questions above can be used to expand and enhance your Bible knowledge-skills.

### ONLY GOD DOES GOD'S PART

Lest some readers misunderstand the direction of this article, I want to make it clear that I am not saying our part in the salvation process is more important than God's part. God's part is enormous and is separate from the purpose of this article. Please do not assume that "increasing your knowledge" is more important than God's part. We can do something about increasing our knowledge but we can not do any of God's part in our salvation.

### A PLAN FOR INCREASED KNOWLEDGE

By remembering key chapters, and the Bible knowledge contained therein, we can expand our ability to share God's truth with those we meet. Over the years, we have linked the "love chapter" and 1 Cor. 13 in our minds and it has become easy for us to find that knowledge in the Bible.

The plan I am suggesting for increasing our Bible knowledge follows the same principle. By selecting certain prominent chapters and focusing on their location, we can begin to make linkages that will aid our memories and help us to "grow in grace and knowledge."

Below I have listed my key chapters from the full Bible. It is suggested that you form a habit of reading one of these chapters per day for the next year (365 days) and you will

have begun to imprint this knowledge into your memory. It would be helpful, also, as you read each chapter, mark or highlight the memorable verse/s. Then occasionally test yourself by selecting certain information, and taking your Bible, turn to the chapter you think it is in. A few repetitions of this should markedly improve your ability to store and access the information in these chapters. (Descriptive words in the list will be found only in the King James Version of the Holy Bible.) Good Learning! Ω
